

# Product Information

## AVENO Semi Synth. 2-stroke engine BLUE

0002-000140

### Description

AVENO Semi Synth. 2-stroke engine BLUE is a partly synthetic 2-stroke oil based on mineral and synthetic base oils and selected 2-stroke additives. It is characterised by its high durability and reliability and is specifically designed for air and water cooled 2-stroke engines. AVENO Semi Synth. 2-stroke engine BLUE is ideally suited to separate-lubrication and self-mixing systems.

### Instructions for use

AVENO Semi Synth. 2-stroke engine BLUE is suitable for the lubrication of self-mixing 2-stroke oil engines and for mixed and separate lubricating systems; for the lubrication of air cooled 2-stroke petrol engines with a very high speed and the heaviest loads, as well as for the lubrication of 2-stroke petrol engines with water coolants.

### Quality classification

#### Specification

- API TC
- JASO FD
- ISO-L-EGD

### Properties

- Excellent lubrication of all engine parts
- Low exhaust fumes
- High wear and corrosion protection
- Strong cleaning effect and residue-free combustion without deposits

### Technical specifications

Properties	Data	Unit	Testing under
Kinematic Viscosity at 40°C	67,9	mm <sup>2</sup> /s	DIN 51659-2:2017-02
Kinematic Viscosity at 100°C	9,7	mm <sup>2</sup> /s	DIN 51659-2:2017-02
Viscosity Index	123		DIN ISO 2909:2004-08
Appearance	BLUE		VISUELL
Density at 15°C	868	kg/m <sup>3</sup>	DIN EN ISO 12185:1997-11
Pour Point	-36	°C	ASTM D 7346:2015
